

The KCN Training Institute presents:

# Rethinking Youth:

**Basic Principles of Positive Youth Development**

**Unlike other approaches that solely focus on preventing negative outcomes, this training will:**

- Identify the key principles of the positive youth development approach;
- Begin developing a plan for integrating the key principles of this approach; and
- Strengthen networks and relationships with others that build support for successful implementation.

**When:** Monday, June 15, 2009; 1:00 pm - 4:30pm

**Where:** Harry Caudill Library, 220 Main Street, Whitesburg, KY 41858

There is no cost to attend thanks to the generous support of the Community Collaboration for Children, however advanced registration is required. Space is limited, so register today online at: [www.kychildnow.org/ti/reg](http://www.kychildnow.org/ti/reg)
